ABOUT US

Plat was founded by a professional team with extensive experience in international trade and transportation, aiming to provide shipping solutions that support efficient completion of commercial transactions. Our focus goes beyond moving cargo—we prioritize fulfilling client needs with precision and reliability.

Acting as a commercial bridge between Arab and African markets, Plat specializes in facilitating trade flows between Egypt and Sudan through its branches in both countries. This strategic presence gives our clients the advantage of fast, secure access to targeted markets.

The company relies on a strong mix of field expertise, technical consultancy, infrastructure, and diverse logistics services across land, sea, and air transportation, in addition to storage and transit operations—offering a fully integrated logistics solution under one umbrella.

VISION & MISSION

Our Vision

To become a regional leader in international shipping and logistics through a strong network of branches and partnerships that ensures business sustainability and strengthens our clients' supply chains.

Our Mission

To deliver efficient, professional logistics services that achieve the highest levels of customer satisfaction through optimized transit times, carefully planned routes, competitive operational costs, and a specialized team.
